Afternoon all,

Little change in schedule on the site visit but it may be better for you guys and you would only be out 1 night instead of 2. We would like to start the visit around lunch time on Thursday March 31 and end around lunchtime on April 1st. Let me know if that really messes up your plans. It works better for us and it would give you guys just one night away also. Let me know if this is a deal breaker.
